

2 March 2015

Dear Retired National Guard Person:

The 29th Annual Retired Army and Air National Guard Luncheon for the Topeka and surrounding area will be held 1 April 2015, at the Museum of the Kansas National Guard, Forbes Field, Topeka, Kansas. In past years, the attendance has been wonderful, and it has been a great opportunity to get reacquainted with those we associated with during our working years. Attendees are primarily Army military and civilian individuals who worked full-time for the Kansas National Guard in the Topeka area or the Adjutant General Department, but everyone is welcome.

We will meet in the large meeting room starting at 10:30 AM. Lunch will be catered and served at 11:30 AM. The luncheon will be social. We will invite the Adjutant General and the Department Heads (Army and Air) also to attend. If there are speeches, they will be short. Feel free to visit with the invited guests about any concerns you may have. There will also be a brief tribute to those who have passed on.

Enclosed is a reservation form that we would like you to fill out and return so that we will know for how many guests to prepare. **Please don't send any money with your reservation.** You will pay at the door for your meal. We would appreciate hearing from you not later than 25 March so we can finalize arrangements. Please let us know you are coming if at all possible. If you just "show up" the date of the luncheon, you will not be guaranteed a meal. Please include your e-mail address if you have one, as future communications will be by e-mail. If we do not have an e-mail address for you, and you have not attended in the last three years, we will no longer mail an invitation to you through the U. S. Mail, unless you specifically ask us to continue. If you hear of a retired person who has not been invited, please contact one of the people on the committee to get them added to the list.

If you won't be attending this year, but would like to remain on the U. S. Mail list, please send \$1 to help defray mailing expenses. If you have received this notice by e-mail, there is no need for the \$1.

We sincerely hope to see all of you on the 1st of April!
