2020 PROSPECTUS

Museum of the Kansas National Guard

Topeka, KS 66619

The Enlisted Association of the National Guard of Kansas (EANGKS) is a professional organization whose membership consists of current and retired members of the Kansas Army and Air National Guard and their families. We are the local part of the Enlisted Association of the National Guard of the United States (EANGUS). Our goal is to support and protect the interests of the over 10,000 Kansas Army and Air National Guard members and their families through legislative actions, visits with our Federal and State Senate and Congress members as well as through our Joint Annual Awards Banquet, Scholarships, Military Family Day events and Joint Annual Conference.

Since 2003, over 10,000 Kansas National Guard members have deployed, to Iraq, Afghanistan, Syria, Kuwait, Africa, the Balkans and other places around the globe. Kansas Citizen Soldiers and Airmen have been activated in support of natural disaster relief both locally and across the U.S. Every day the Soldiers and Airmen of the Kansas National Guard stand ready to give their lives to protect our freedom, national security and our quality of life.

The EANGKS Corporate Partnership Program is designed to foster our relationships with select companies and organizations to better serve our Citizen Soldiers and Airmen and to help our corporate members to maintain a strategic position in front of key Kansas National Guard decision makers. Doing so helps EANGKS to offset the costs of our Joint Annual Conference which helps make it more affordable for our service members and their families to participate.

Every year the men and women of the Kansas National Guard sacrifice a significant amount of time away from their families to serve our state and our nation. Our members can benefit from learning about your business and the products and services your company or organization can provide. EANGKS would like to extend to you the opportunity for you and your company to partner with us in their support.

Every company and organization have their own particular needs and the EANGKS Corporate Membership Program can customize incentives to best fit your needs. Contact Corporate Membership Chairman, Jim Fenton @ jim.fenton66@gmail.com or 785-564-3883 to discuss options.

We invite you and your company or organization to join our other corporate members and be an exhibitor at our 2020 Joint State Conference, which will be held 17-18 April 2020 at the Holiday Inn Wichita I-35 hotel in Wichita, Kansas. We will post updates to information on our website, eangks.org. The Enlisted Association of the National Guard of Kansas looks forward to developing a lasting relationship with you.

We sincerely appreciate your support!
